# PROTONIC RETAIL BILLING & SMART INVENTORY ERP

Engineered for high-volume retail marts, chemist shops, supermarkets & wholesale outlets. Delivers lightning-fast 3-second counter billing, active expiry defense, rack-wise picking, and automated GST compliance with zero internet dependency.

3-Sec Billing | Expiry Radar | Rack Picking | Rx Mandatory Check | CA-Ready GST

## Lightning-Fast Counter Checkout

- ✓ **High-Speed Counter Billing:** Rapid item-code, generic search & smart auto-complete with instant calculation.
- ✓ **100% Keyboard Operable:** Complete bill creation without touching the mouse (F1-F12 shortcuts for maximum speed).
- ✓ **Multi-Format Invoicing:** 2" & 3" thermal receipts, A4 & A5 full GST tax invoices, and delivery challans.
- ✓ **Split Tender Payments:** Accept Cash, UPI QR code on receipt, Card, and Customer Khata.
- ✓ **Hold & Multi-Cart Billing:** Park an active customer basket and resume anytime without losing added items.

## Smart Inventory & Stock Defense

- **Near-Expiry Reminder:** Automated 30/60/90-day expiry radar with hard-lock preventing sale of expired batches & auto vendor debit notes.
- **Rack-Wise Stock Management:** Map items to exact Rack, Shelf & Bin. Displays coordinates on screen for rapid 5-second product picking.
- **Prescription Mandatory Reminder:** Alert for Schedule H/H1 & Rx medicines; enforces doctor info before billing for 100% drug law compliance.

- ✓ **Batch & Multi-MRP:** Automatic FEFO batch selection with variance support.
- ✓ **Re-Order Level (ROL):** Low-stock alerts preventing sudden stock-outs.

## WhatsApp Billing & Customer Khata

- ✓ **Digital Paperless Invoicing:** Send official PDF invoices directly to customer's WhatsApp with 1 click; saves thermal paper costs.
- ✓ **Customer Credit Ledger (Khata):** Complete Udhaar balance tracking with credit limits, transaction log & running balance.
- ✓ **Automated Payment Reminders:** Send polite balance alerts with integrated UPI payment links to overdue accounts.
- ✓ **Customer Loyalty Rewards:** Reward points system, birthday greetings & customer retention analytics.

## GST Compliance & Daily Analytics

- ✓ **CA-Ready GST Exports:** 1-click GSTR-1, GSTR-2, and GSTR-3B Excel/JSON files with exact HSN and tax breakdowns.
- ✓ **Government E-Invoicing:** Automatic IRN QR code printing for registered B2B wholesale transactions.
- ✓ **Day-End Cash Register Reconciliation:** Shift-wise tally of Cash, UPI, Card, and Credit sales for smooth cashier handovers.
- ✓ **Profitability & Dead Stock Audit:** Identifies fast-moving top earners vs. dead non-moving capital.

## TAILORED FOR DIVERSE RETAIL & WHOLESALE SECTORS

Multi-Store Ready

| Chemists & Medical | Supermarkets | Mobile & Electronics | Hardware & Sanitary | Wholesale & FMCG |
|---|---|---|---|---|
| Rx checks • Expiry radar | Fast bills • Combo deals | IMEI • Serial warranty | Dual units • Credit ledger | Route challans • B2B GST |

## SUPPORTED HARDWARE & LOCAL NETWORK DEPLOYMENT:

- **Thermal Roll Printers:** 2-inch (58mm) & 3-inch (80mm) Receipt Printers (TVS, Epson, Rugtek, NGX)
- **Standard Office Printers:** All Laser & Inkjet Printers for Full A4 & A5 GST Tax Invoices
- **Network Architecture:** 100% Offline Local LAN Multi-Counter Terminal Setup

| Performance Metric | Generic Cloud Billing Apps | Protonic Retail Billing Software |
|---|---|---|
| Internet Dependency | Stops immediately when internet disconnects | ✓ 100% Offline Continuous Billing |
| Data Ownership | Stored on third-party public clouds | ✓ 100% Private In-House Local SQL Database |
| Counter Checkout Speed | Cloud latency causes slow customer checkout | ✓ Lightning-fast under 3 seconds per bill |
| Technical Support | Slow chatbot ticket queues | ✓ Direct Engineer Phone & AnyDesk Support |
